“Wrapping up the week of homecoming, the support from the games was excellent. Most stands raised over \$1,000 dollars for their class and the seniors raised over \$6,000 from the dance alone. The class of 2020 wants to thank everyone who donated and supported their last homecoming.

This week the signups for the PSATs went out at the high school. The test is on Wednesday, October 16th. Recently Kelly Heffernan was recognized by the National Merit Scholarship Corporation, meaning she was in the top 34,000 of over 1.5 million students who took the PSATs in October of last year. Congratulations Kelly!

DECA at NHS is currently in the process of planning a Credit for Life Fair for the seniors. The fair will be held on January 30th in the field house from 8:30 a.m. to 11:00 a.m. The purpose of this fair is to educate students regarding the financial decisions that they will face in the future. The fair will consist of several local businesses, each running their own booth to educate students on their specific topic and to create an understanding of various budgeting decisions. Recently the guidance department also gave a presentation to the seniors on financial support in college.”

Finally, this past week at the middle school, the students have been investing more time into organized Social-Emotional learning based activities. The introduction of this concept into the school has had a lot of support from the students and their families, and hopefully we will see that continue throughout the year.
