

# NORTHBRIDGE HIGH SCHOOL

February Newsletter 2012

## IPARENT

More than half of the NHS families are currently using iParent to view their child's attendance, grades, and assignments. This is an effective way to increase the home-school-student communication pathway. Now families will be able to register over the phone using their child's SASID(State Assigned Student Identification Determination). This will be located to the right of your child's name at the top of their report card. Give guidance a call and sign up now!

## PARENT CONFERENCES

A reminder that on Friday, early release day for Please contact the NHS conference (508) begin at 12:00 noon and

February 8th, NPS will have an Parent Teacher Conferences. Main Office to sign up for a -234-6221. Conferences will be completed by 2:00 pm.

## MMSI SATURDAY SESSION

The Massachusetts Math and Science Initiative (MMSI) will hold an AP Science Saturday session on Saturday, February 11th from 8:00 am-2:30 at NHS. This is a mandatory session. Statistics show that students that attend these sessions increase their qualifying scores. See you there!

## WINTER ATHLETICS

NHS girls and boys basketball  
Congratulation! NHS hockey  
play also as has indoor track and  
wrestling. Go rams!  
in hand.

teams have made the districts again!  
team has qualified for post season  
individual athletes in swimming and  
Sportsmanship and winning go hand

## CLOTHESLINE PROJECT

A special thank you to NHS GSA (Gay/Straight alliance) for inviting Wayside Community Counseling's Clothesline Project to NHS. This display of t-shirts with messages on it to sport individuals who have been victims of violence at home or in a relationship. This display generated much conversation and we hope to have Wayside back next year.

# **SPIRIT WEEK**

The week of February 13th-17th will be spirit week at Northbridge High School. Monday-Maroon/White Day, Tuesday- Super Hero Day, Wednesday- Sports Day, Thursday- Snuggie,/Slippers Day and Friday is Class Color Day. School Spirit- you can't beat it!

## **SERVE SAFE/SOLID WORKS CERTIFICATION**

NHS's Culinary program is now offering Serve Safe Certification for selected students. These students participated in a two(2) day training preparing for the test that allows them to work in all facets of the restaurant business. Solid Works software certification is also being offered in our Engineering programs. This software is an industry standard very few public school in the Blackstone Valley offer. Congratulations to the students who will receive this prestigious certification(s).

## **NATIONAL BUSINESS HONOR SOCIETY**

Congratulations to the Business Department for being selected into the National Business Honor Society. This one-year process allows NHS to now place students in the society to receive national recognition. Strict criteria must be adhered to and this brings NHS' Business program even more into the public eye. Congratulations DECA!
