- Strategic Plan
 - Teachers/Staff met to offer feedback on each of the major parts of the plan
 - Karlene, Theresa, and Cassie integrated feedback from the staff into the school-wide strategic plan into a feasible plan that does not overburden any staff members

Strategic Objective 1

*** Implement SEL Programming**

*Committee agrees with content

***PBIS**

*Consider adding reflect and refine to the monitoring of implementation of PBIS

*Creation of a focus group around incorporation of classroom communities and soft skills to examine scheduling and practices this year

Initiative 2

Question the timing of the opportunities → during school day? after school? virtually?
Committee agrees that more information and community input is needed on this area, but suggest adding one *or more*

Strategic Objective 2

Project Based Learning Implementation

Design units this year, may not be implemented this year depending on timing of the unit

Inclusive Practice Initiative

Team from Balmer attending workshops focused on this topic

Strategic Objective 3

Foster culture of collaboration, community, and accountability

Under action steps, edit to include 2018-2019 time frame re: grade-level student showcase

Staff/Community team building work needed before celebration can begin

How can we support the building of relationships between grade levels, particularly with the potential of building a new school and welcoming additional grades?

Survey to be developed to gather data around building community and recognizing staff (in conjunction with PBIS committee's work)

Outcomes and Measures

Will be completed once the district's measures and outcomes are determined to maintain alignment

Project

Weslandia was read and enjoyed by classrooms and students

Projects around the books still coming

Survey to gather feedback from staff around the use of the book in the classroom community

Creation of classroom flags ties into the Weslandia text

Tying PBIS into the flag

Options

Choosing a book for school-wide read

Second Step home-school connection

Next time, bring Second Step curriculum to develop and action plan

Collaboration and communication are also important soft skills to be facilitated and supported
