Northbridge Public Schools School Committee Meeting Minutes Wednesday, April 11, 2017 6:30 PM Northbridge High School Media Center

I. Call to Order (6:47)

II. Attendance

Michael Clements	Absent
Mike LeBrasseur	Present
Joseph Strazzulla	Present
Kate Tracy	Present
Randi Zanca	Absent

III. Motion to Meet in Executive Session Pursuant to Massachusetts General Laws Chapter 30A Section 21(a) for the Following Purpose:

Purpose (2) to Conduct Collective Bargaining with Non-Union Personnel

IV. Regular Session Call to Order (7:05 PM)

Attendance

Michael Clements	Absent
Mike LeBrasseur	Present
Joseph Strazzulla	Present
Kate Tracy	Present
Randi Zanca	Present

Also in attendance were Superintendent Catherine Stickney, Business Manager Melissa Walker, and Student Representative Connor Nowlan.

V. Pledge of Allegiance

It is the policy of the Northbridge Public Schools not to discriminate on the basis of race, color, gender, religion, national origin, sexual orientation, gender identity, disability, age, or homelessness in its educational programs, services, activities, or employment.

VI. Statement of Audio and Video Recording

VII. Statement of Mission

VIII. Public Comment

None

IX. Student Representative Report

Now is the time of the school year where seniors are committing to the college of their choosing, and look to maintain strong quarter four grades.

Last week, we had our Spring Concert. There was a great turnout, and everyone did a fantastic job.

Spring sports have started up with teams playing their first few games this week. We hope all the sports teams have a successful season.

AP Classes are beginning to prepare for the AP exam. Classes have begun their Saturday sessions as students look to ready themselves and try and get a qualifying score for college credit.

In order to celebrate Autism Awareness Month, which is the month of April, we will be reading a fact about Autism each morning.

Prom is Next Friday, April 21st, at Grand View Ballroom in Mendon.

We've had our first student graduate from the Class of 2017. Hannah Souza graduated early a few weeks ago. She is joining the Army and will be leaving for training soon.

X. Consent Agenda

- a. School Committee Minutes from March 22, 2017
- b. School Committee Minutes from March 28, 2017
- c. Warrant 37-40s 03/30/17 \$169,332.47

The motion was made by Kate Tracy to accept the consent agenda as presented. The motion was seconded by Randi Zanca. The vote was taken by roll call vote and the following votes were recorded:

Michael Clements	Absent
Mike LeBrasseur	Yes
Joseph Strazzulla	Yes
Kate Tracy	Yes
Randi Zanca	Yes

4 members having voted in the affirmative

0 members having voted in the negative

The motion was accepted with a roll call vote of 4-0.

XI. Action items

a. School Committee Self-Evaluation

The motion was made by Joseph Strazzulla to approve moving forward with the School Committee Self-Evaluation. The motion was seconded by Kate Tracy. The vote was taken by roll call vote and the following votes were recorded:

Michael Clements	Absent
Mike LeBrasseur	Yes
Joseph Strazzulla	Yes
Kate Tracy	Yes
Randi Zanca	Yes

4 members having voted in the affirmative

0 members having voted in the negative

The motion was accepted with a roll call vote of 4-0

b. Superintendent's Contract

The motion was made by Joseph Strazzulla to approve the employment contract as presented for Superintendent Stickney covering the five year period from July 1, 2017 to June 30th, 2022 and to authorize the chair of the School Committee to execute such employment contract on behalf of the Northbridge School Committee. The motion was seconded by Kate Tracy. The vote was taken by roll call vote and the following votes were recorded:

Michael Clements	Absent
------------------	--------

Mike LeBrasseur Yes

Joseph Strazzulla Yes

Kate Tracy Yes

Randi Zanca Yes

4 members having voted in the affirmative

0 members having voted in the negative

The motion was accepted with a roll call vote of 4-0

XII. Discussion:

a. School Choice 2017-2018

Catherine Stickney stated that this is an annual item that we need to complete for the Department of Education. We are recommending that Northbridge Public Schools continue to accept School Choice Students for the 2017-2018 school year. This will be an action item at the 4/25 meeting.

b. Price for School Lunch 2017-2018

Melissa Walker stated that we needed to adjust the paid school lunch price in order for us to continue receiving free and reduced lunch reimbursement; we have to comply with the federal regulations. The new price for student lunches will be \$2.85 per lunch. This will be an action item at the 4/25 meeting.

c. FY18 Operational Budget

Melissa Walker stated that the committee approved the operating budget of \$27,152,325 million. Melissa asked the committee for direction in regards to the budget and how they would like to close the gap, whether it is reductions or reducing the revolver. The committee agreed to use the revolver for up to \$200,000 and reductions for the remainder amount.

d. School Building Committee Update

Catherine Stickney stated that the OPM was officially on board with MSBA approval. We have already updated our website with the information. There is a bulletin and a link to the site on our webpage. Our RFS for a designer was released today, and we will have a walkthrough at Balmer for potential designers over vacation.

e. Administrative Update

Catherine Stickney stated that, as of this week, Mike Bedard, will be the Interim Director of Facilities. The position has been posted.

Superintendent Stickney also stated that John Doldoorian Jr. will be our Interim Athletics Director for the spring. This position will be posted in the next few weeks.

XIII. School Committee Individual Comments

Randi Zanca- We made the front page of the Tribune. It may have been in regards to the override but we are on the front page.

- Chinese exchange program- How did it go?

Connor Nowlan stated that it was a great experience, and he made some new friends. The students loved it.

Catherine Stickney- The Career Academy application is open. There is an informational session at 5pm prior to Evening of the Arts.

XIV. Adjournment 7:30

The motion was made by Kate Tracy to adjourn the meeting at 7:30pm. The motion was seconded Randi Zanca. A vote was taken by roll call and the following votes were recorded:

Michael Clements	Absent
Mike LeBrasseur	Yes
Joseph Strazzulla	Yes
Kate Tracy	Yes
Randi Zanca	Yes

4 members having voted in the affirmative

0 members having voted in the negative

The motion was accepted with a roll call vote of 4-0.

.

Springboard Education At Northbridge!

7 months and going strong!

PRESENTED BY:

JAKE MONGAN – AREA DIRECTOR

Students!

Team Balmer:

Team Northbridge Elementary:

Team Northbridge Middle:

Students currently being serviced:

- ▶ Total Students that have been registered in our system: **152**

This accounts for any and all students who have used the services during the course of the 7 months that we have been operating here. Some are coming five days a week both ends of the day, others have signed up for a more flexible option depending on the needs. Luckily we can adapt to almost any question or request that has been brought up.

Students at Balmer:

- ▶ Average enrollment at Balmer: 24 students in the before school program, and 33 students in the afterschool program. As well during half days we average about 27 students.

Students at Northbridge Elementary:

- ▶ Average enrollment at NES: 19 students in the before school program, and 22 students in the afterschool program. As well during half days we average about 17 students.

Students at Northbridge Middle:

- ▶ Average enrollment at NMS: 5 students in the before school program, and 13 students in the afterschool program. As well during half days we average about 27 students.

Students Using additional programs:

- ▶ Voucher Based Students: 5
- ▶ Sibling Discount Students: 21
- ▶ Scholarship Students: 2
- ▶ Employee Discount: 2

Licensed Fully

Over the past few months Myself and my co-worker Gina Mistretta have been working hard with the Site coordinators here (Gina Maguire, Donna Morreale, and Erin DeLuca) to make sure everything has been done to perfection. With licensing coming around and approving what they have seen all programs can now accept vouchers and are fully approved by the EEC.

With these licenses now in place we are in compliance with Massachusetts state laws of the EEC, meaning our students are kept within safe standards, small ratios and carefully watched and helped to foster growth and knowledge throughout.

Vacation Programming

This year was our first, and with the late start we have done our best to adapt to changing systems and understandings.

We have attempted and will push in the future to remain open and operational during school vacation weeks, these extra days of offering care are crucial to most families who cannot take all of those weeks off and need some support.

Each site will come together to form a cohesive 5 day educational/fun program based around a timely theme from the year.

Summer Programming

This year we are offering a summer program here in Northbridge! Through the combined efforts of the sites we will be running throughout the entirety of the summer with different themed weeks. Each week contains lessons that are fun, educational and offer growth.

As well, each week involves some sort of bonus activity (field trip like) that occurs on Wednesday. We want this to be a success so the more students we get the more grandiose the program can be. We have been running programming like this in other areas of the country and Massachusetts for some time, and they are hugely successful. As well, we can take vouchers now for that period of time!

Next Year

With year one nearly under our belts we can start planning ahead. Now that we can start on time and hit the ground running next year we are preparing for as many students as we can handle. These numbers can increase to hopefully larger programming, allowing us an even greater program as the more students we get the more we can do for them!

Students!

Questions / Comments:

SCHOOL COMMITTEE
AGENDA ITEM SUMMARY
(ACTION ITEM)

Agenda Item # X.A.
For School Committee Meeting of
April 25, 2017

SUBJECT:

Person(s) preparing Agenda Item:

Title: Class of 1966 donation to NHS

Listing of Attachments (supporting documentation):

BACKGROUND: The Class of 1966 wanted to make a donation for an outdoor classroom in our outside back foyer. They also wanted a plaque out there. Any remaining funds would be to purchase special 200 anniversary pins for this graduating class and guest of previous classes that will be attending.

STATUS: *Check received*

RECOMMENDATION: *Please accept.*

Financial Implication: *\$1700*

Recommended by: *William B. King*

Recommended by the Superintendent: *Catherine A. Steiner*

**SCHOOL COMMITTEE
AGENDA ITEM SUMMARY
(ACTION ITEM)**

**Agenda Item
For School Committee Meeting of
April 11, 2017**

SUBJECT: Approving the Acceptance of School Choice Students for the 2017-2018 School Year

Person(s) preparing Agenda Item: Catherine Stickney

Listing of Attachments (supporting documentation): None

BACKGROUND: This is the annual action item to approve the district to accept School Choice students for the 2017-2018 school year.

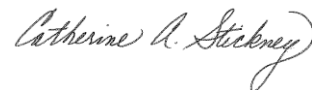

STATUS: The district is currently accepting School Choice at every grade except for grade 3 due to enrollment.

FINANCIAL IMPLICATION: By accepting School Choice students, we can generate revenue for the town by accepting students who are interested in attending Northbridge Public Schools and partaking in the strong programs we have to offer.

RECOMMENDATION: The Superintendent recommends that the School Committee move to accept School Choice students for the 2017-2018 school year.

A recommendation for grade closure may follow closer to the start of the 2017-2018 school year.

Recommended by the Superintendent:

It is the policy of the Northbridge Public Schools not to be discriminate on the basis of race, gender, religion, national origin, color, homelessness, sexual orientation, age or disability in its education programs, services, activities, or employment practices

Food and
Nutrition
Service

Park Office
Center

3101 Park
Center Drive
Alexandria
VA 22302

DATE: December 15, 2016

MEMO CODE: SP 11-2017

SUBJECT: Paid Lunch Equity: School Year 2017-2018 Calculations and Tool

TO: Regional Directors
Special Nutrition Programs
All Regions

State Directors
Child Nutrition Programs
All States

Regulations at 7 CFR 210.14(e) require school food authorities (SFAs) participating in the National School Lunch Program to ensure sufficient funds are provided to the nonprofit school food service account for meals served to students not eligible for free or reduced price meals. There are two ways to meet this requirement: either through the prices charged for "paid" meals or through other non-Federal sources provided to the nonprofit school food service account.

This memorandum provides guidance on the calculations SFAs must make in order to ensure they are in compliance with these requirements for School Year (SY) 2017-18. In addition, attached is the SY 2017-18 Paid Lunch Equity (PLE) Tool to assist SFAs as they make these required calculations.

SY 2017-18 Paid Lunch Equity Calculations

For SY 2017-18, SFAs which, on a weighted average, charged less than **\$2.86** for paid lunches in SY 2016-17 are required to adjust their weighted average lunch price or add non-Federal funds to the non-profit school food service account. The amount per meal increase will be calculated using 2 percent rate increase plus the Consumer Price Index (2.64 percent), totaling **4.64** percent.

SFAs are reminded that they must use their unrounded adjusted average paid lunch price requirement from SY 2016-17 when calculating the weighted average lunch price increase for SY 2017-18. For example, if the unrounded SY 2016-17 requirement was \$2.28 but the SFA opted to round down to \$2.25, the calculation of the SY 2017-18 requirement is based on the \$2.28 unrounded SY 2016-17 requirement.

Northbridge High School Field Trip application

Keynote: Brian Moriarty WPI IMGD Faculty

Brian Moriarty has worked in game development and multimedia for more than 30 years, most recently as creative director at Foundation 9/ImaginEngine in Framingham, Mass., the largest independent game developer in North America. At ImaginEngine, he produced and/or designed several children's software titles, including three Parents' Choice award winners. Earlier, he co-founded and served as creative director at Mpath/HearMe, the Internet's first voice chat community, which had more than 10 million users at its peak.

Previously, he was senior game designer at Infocom in Cambridge, Mass., an early pioneer in interactive fiction games. He wrote three of Infocom's original prose games: Beyond Zork, Wishbringer (which received a Critics' Choice Award from Family Computing), and Trinity (voted the Best Adventure/Fantasy of 1986 by Computer Entertainer).

He has given lectures on the design and philosophy of computer games around the world. He is a member of the Science Fiction & Fantasy Writers of America and the International Game Developers Association.

He made the transition from the game industry to academia after conducting a master class for WPI's Interactive Media and Gaming Development program in 2008. In 2009, he joined the WPI faculty full time.

GAMETIME - Play digital games with MassDiGi Summer Innovation Program interns!

Each summer 24 college and university students from across the country and around the world take part in MassDiGi SIP. SIP is the largest internship program of its kind. It gives students a team-based opportunity to build a game from the ground up. Students in SIP major in a wide range of disciplines from computer science and programming to art and music and everything in between.

Tonight, NCSSS Student Research Conference attendees will be among the first to playtest the games being made in SIP. These games are very early in development and player feedback is critical. What a great way to kick off the NCSSS Student Research Conference!

About MassDiGi - Based at Becker College, MassDiGi is the statewide center for academic cooperation, entrepreneurship and economic development across the Massachusetts video and digital games ecosystem.

Massachusetts Academy of Math and Science

Worcester, MA

Present your research in a poster session at the Massachusetts Academy of Math and Science. Learn from and collaborate with peers from schools like yours!

In 1830, 60 men interested in natural history established the Boston Society of Natural History, an organization through which they could pursue their common scientific interests. Devoted to collecting and studying natural history specimens, the society displayed its collections in numerous temporary facilities until 1864, when it opened the New England Museum of Natural History at the corner of Berkeley and Boylston Streets in Boston's Back Bay. That museum is now known worldwide as the Museum of Science, Boston. One of the world's largest science centers and Boston's most attended cultural institution, the Museum attracts approximately 1.5 million visitors a year through its vibrant program of 700 interactive exhibits.

Worcester, Massachusetts will serve as the center of this year's NCSSS Student Research Conference, visible from our home-base of Worcester Polytechnic Institute. Saturday night will be spent exploring the great city of Worcester, Massachusetts, with dinner at the Historic Pioneer Hall Marketplace, a walk on the Freedom Trail, and an evening at the Boston Museum of Science, culminating with laser shows in the planetarium.

Registration

Conference cost: Schools must be members of NCSSS to register (email mbarney@wpi.edu for information on NCSSS membership). Each school is responsible for the registration fee of \$175 per participant (students and chaperones) until April 1, \$250 per participant between April 2 and May 15. There is a maximum of 80 student participants (maximum 8 students/school) for this year's conference, and we will create a waiting list. Schools are responsible for securing their own transportation to and from the conference for their students and chaperones. All meals, accommodations, activities, and daily transportation to and from conference events is included in the registration fee. The registration fee can be paid via school check made out to "Mass Academy of Math and Science/WPI" and sent to:

Mass Academy of Math and Science

ATTN: NCSSS Research Conference

85 Prescott Street

Worcester MA 01605

- Research: Each student will have the chance to present their research in a poster project competition at the Mass Academy of Math and Science on Friday. An abstract will be requested in advance via the *Student Research Conference Symposium Guidelines* form, downloadable below.
- NCSSS School project presentation: Each school will have the opportunity to present a school project at the NCSSS Stage during Touch Tomorrow on Saturday, June 10. This is an optional presentation, 30 minutes maximum length, and should be a hands-on demonstration or presentation highlighting work that is being done at your school. The proposal form is included in the document download section.
- Travel: If traveling by air, fly into Logan International Airport (BOS) or Worcester Regional Airport (ORH). By rail (Amtrak), travel to Union Station, Worcester, MA.
- Limousine service from Logan Airport [Knights Limo](#)
- Housing Arrangements: All students and chaperones will be housed in residence halls at Worcester Polytechnic Institute. Students will be housed four per room with shared bathrooms on each floor. Chaperones will be housed in the residence halls as well. Students will be housed on same-sex floors for safety and security.

If you have questions regarding the conference please contact

mams@wpi.edu
