

Northbridge Middle School:

The purpose of the NMS Building Curriculum Accommodation Plan (BCAP) is to describe the strategies and resources that are available to all classroom teachers, specialists and administrators to best meet the needs of the diverse learning styles of our students. Additionally, the BCAP is designed to address the needs of students whose behavior may interfere with the learning process and to promote a supportive and positive school climate.

This list is not meant to be all-encompassing but rather an overview of what NMS offers for student support. These are general education accommodations that are available to all students Northbridge Middle School
